

## How to Make a Snowman

Blake 16b

1. Make the screen sky blue
2. Then make a line size "72" the color is white on the bottom
3. After that go to shapes, pick circle, and make it with a diameter of "2 and  $\frac{3}{4}$  inches" put it on top of the snow in the middle of the page.
4. Next do the same thing that you did on number 3. Make this ball a diameter of "2 inches" put this one on top of the other circle. This will be the middle.
5. To make the head go the shapes circle and give it a diameter of "1 inch." You will put this on top of the middle ball.
6. Go to stamps make 6 presents about the size of a Penney.
7. Make 2 lime green, 2 blue, and 2 red.
8. Put the Red close to the snowman on the left then put the blue after the red after the blue put the lime green
9. Do this with the other presents except it will be the the opposite
10. For the sun go to line size "72" yellow in the right corner the diameter is "2  $\frac{1}{2}$  "
11. Go to stamps sunglasses make it size "4" their color will be black and put them on top of the nose
12. Go to shapes click the 8 star points and the outline size 7 make shore it is yellow
13. Draw three little circles in the middle circles
14. For the nose go to shapes circle black make it with a diameter of  $\frac{3}{4}$  and put it in the middle of the top circle.
15. For the buttons draw 3 little circles in the middle the color is black put them in a straight line on the middle circle with a diameter of "2/10" of a centimeter
